

# Pilot Program for City of Miami

## Building Owners Only

### Energy Usage Data Request

To comply with the City of Miami's Building Efficiency 305 Benchmarking Program, building owners are required to report whole-building energy usage from the previous calendar year to help mitigate emissions of greenhouse gases.

Complete this form and email it to [Energy-DataRequest@fpl.com](mailto:Energy-DataRequest@fpl.com). Remember to include the Building Information Template and the Letter of Authorization (if applicable) in your email.

If you're requesting this information and you are not the building owner or managing company representative, you will need to submit a Letter of Authorization (LOA). Visit [FPL.com/business/energy-usage-data.html](http://FPL.com/business/energy-usage-data.html) for more information on where to obtain the LOA and necessary information.

Name (First and Last)	Phone Number
Email Address	
Company Name and Position	

For buildings with **five or more accounts** please provide the following information for the primary account in the building owner's name.

FPL Bill Account Number	Name on FPL Account	Last 4 digits of Tax ID number

For buildings with **less than five accounts** or buildings where **one meter comprises more than 50%** of the building's energy consumption:

- » If all the meters are under the same name as building owner or managing company's name, please provide:

FPL Bill Account Number	Name on FPL Account	Last 4 digits of Tax ID number

» Please also attach a notarized Letter of Authorization

- » If each meter is in an individual tenant's name, please provide:

#	FPL Bill Account Number	Name on FPL Account
1		
2		
3		
4		

» Please also attach a notarized Letter of Authorization **for each account**
