

STEM Classroom Makeover Grant Program

Five \$50,000 grants will be awarded to update technology to a 21st century learning environment, advance curriculum and increase exposure of STEM education to students.

This grant is intended to provide transformational learning opportunities for students in a classroom setting. Funds are available to address needs in technology or resources (i.e. software, equipment, books, training of teachers, tutors, paraprofessionals) to advance the STEM curriculum and increase exposure of STEM education and careers to students.

Investing in tomorrow's leaders

FPL is committed to supporting our communities to help make them better places to live, work and raise a family. One way we do this is by supporting education programs that enrich students' experiences.

Applications are now open and will close Nov. 18, 2024.

Applicant Criteria:

- » This grant is open to all K-12 public schools and eligible private and charter schools within FPL's service area in Florida that are designated as Title 1 or serve a student population with at least 40% economically disadvantaged students.

The Classroom Makeover Grant Program is an educational commitment from FPL's charitable arm, the NextEra Energy Foundation.

Up to five schools will be selected to each receive the \$50,000 grant.

Public, private or charter schools — all grade levels — are encouraged to apply!
